

Chicamacomico Historical Association Membership Form

Many of our exhibits and displays are made possible by generous donations or loan of items for the site. We are a tax-exempt 501(c)3 non-profit corporation that exists to own, protect, and operate the site to educate the public about this amazing but little-known history. Members are kept up-to-date on restoration projects, site activities and summer programming through newsletters and website updates.

Benefits of membership include use of the site for special functions, invitations to special events, discounts in the Museum Gift Shop, free admissions passes, window decals, and the satisfaction of assisting the most complete U.S. Life-Saving Station and site still in existence in the United States *in its original location*. There are many opportunities for those wishing to volunteer at the site or to assist with research and projects offsite.

**To become a member, complete below and mail check to:
Chicamacomico Historical Association, P.O. Box 5, Rodanthe, NC 27968-0005.**
